ORDER

GREGORY H. WOODS, United States District Judge:

The Court has reviewed Plaintiffs' proposed revised class and collective notices, Dkt. No. 180. The Court will not approve Plaintiff's proposed Consent Form. The Consent Form does not make it clear how a prospective plaintiff can indicate whether they choose to be represented by Lead Plaintiffs' counsel or by counsel of their own choosing. Further, the signature block should be placed below the option for prospective plaintiffs to indicate who they choose to be represented by. Plaintiffs are referred to Case No. 1:21-cv-5511, Dkt. No. 21, as an exemplar of an opt-in notice form that addresses these concerns.

Plaintiffs are further directed to replace the closing parenthesis following "GOALS" with a closing bracket in the "REGARDING" section of the proposed collective action notice. Plaintiffs are directed to modify and submit the revised forms no later than November 23, 2021.

SO ORDERED.
